IB Learner Profile

Inquirers	We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.
Knowledgeable	We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.
Thinkers	We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

Asker International School

Summary of Achievement

Transdisciplinary Skills

Comments: _ is enthusiastic about learning new topics. He enjoys working with Center activities. However, he needs to gain more self-control.

_____ tries very hard when he is in school. However, he has missed a great deal of school. He must come to school everyday.

_____ is very astute and expressive. Please work with her at home and make sure her homework is done every night.

Subjects Norwegian

The structure will differ slightly from what you see here, but will be more or less the same. We decided to focus more on comments rather than checkboxes and scales.

Comments: _ is enthusiastic about learning new topics. He enjoys working with Center activities. However, he needs to gain more self-control.

_____ tries very hard when he is in school. However, he has missed a great deal of school. He must come to school everyday.

_____ is very astute and expressive. Please work with her at home and make sure her homework is done every night.

Mathematics

Comments: _ is enthusiastic about learning new topics. He enjoys working with Center activities. However, he needs to gain more self-control.

_____ tries very hard when he is in school. However, he has missed a great deal of school. He must come to school everyday.
